WELCOME BOOKLET

About

Magenta's School of Dance was established in 2017. Offering Ballet, Jazz, Tap, HipHop, Contemporary, Acrobatics and private lessons to students aged 2+.

Our goal is to provide a fun and friendly environment where children learn and develop technique, improve on existing skills and build their love for dance.

We recognise all levels of ability and different reasons to take a dance class, whether that be to build their confidence and social interactions with other children their age or with future goals to be a part of the arts industry with a career in performing, we cater for and respect all.

Uniforms

At Magenta's School of Dance, we encourage students to have the uniform however, it is not compulsory. Those students who don't wish to have any uniform pieces, we ask they wear strictly dancewear only in Black or White. No dresses, long skirts or tracksuits are to be worn in class.

Acrobatics – 35-40 minutes

Acrobatic classes are for students 5+. We cater for all levels from beginner to advanced and students work on strengthening their bodies and learning new skills.

Private Lessons – 30 minutes

Private lessons are offered to all students. It is a one-on-one class where student have the opportunity to work on and progress with skills. These lessons can also be used to go over any steps and or dances from their troupe classes that they may need some extra time learning.

Private lessons: \$15 / 30 minutes

Acrobatic classes: \$15

Troupe Classes: \$8 / 30 minutes

FEES

Fees are charged per term and a 10% discount is applied when paid in full by the due date (week 4 of each term).

We also offer a 5% family discount to second and third siblings.

Payment plans are available for those who are unable to pay fees up front however, the 10% discount does not apply.

Fees that are not paid on time will receive a \$10 late fee for every week the payment is late.

Students who are enrolled in 5 troupe classes receive the fifth class free.

Concert

Each class will learn a dance during class that will be performed at the end of year concert.

Each dance will require a different costume that will either be hired and expected to be returned after use or purchased and therefore belong to the student.

Costumes can range from \$40-\$65.

Our end of year concert is professionally filmed and the DVDs are available for purchase.

Personal photography and filming during the concert are prohibited.

We also hold a photo day a few weeks before the concert where students have professional photos taken in their concert hair, makeup and costumes. These photos are then available for parents to buy.

Purchasing the concert DVD and/or professional photos are optional.

Opportunities

Students have the opportunity to compete in competitions throughout the year. These are offered to students who take private lessons and to our advanced senior team.

Comps are optional and while they are a competition, we see them as a great opportunity for students to gain confidence being onstage and performing in front of an audience.
